

INCIDENT REPORT POLICY

Webb Shadle Public Library

Adopted: 10-18-23

The Library Director will keep a confidential file of information on problem incidents in which a Contact Form has been filed. The purpose of this file is to track any serious problems that are reported by the staff. It will be used to document incidents and to track problems of a recurring nature.

CONTACT FORM

Please provide a description of unacceptable behavior reported and a description of any action taken (e.g., person asked to leave and did so; police called; officer escorted person from the library, etc.)
